

Traveling?

Take your wifi connection with you!

Join eduroam

eduroam (**education roaming**) is a secure, world-wide roaming access service for the international research and education community.

Two connection options

- **Join the eduroam Wi-Fi network.** Your account name must be entered in the form `<Your_UCSBnetID>@ucsb.edu`. Use your UCSBnetID password.
- OR
- **Join the UCSB Setup Wi-Fi network.** Visit www.ucsb.edu. You will be sent to a page that will guide you through the configuration process.
